

What is aimri?

- **AIMRI** is a worldwide trade association of professional Market Research agencies. **AIMRI** has 94 members in 30 countries. Together we cover all parts of Europe, Asia and America. Members offer International research through their own resources or act as lead agencies in an international consortium.
- The **AIMRI** website (www.aimri.net) lists members and research users can employ the “**GET A QUOTE**” feature to contact agencies
- **AIMRI** welcomes membership applications from professional research companies in all countries.
- **AIMRI** runs practical conferences and seminars on conducting research throughout the World – see our website.
