

**"RICHMOND  
REALLY BURNS  
ME UP!"** —*Ulysses S. Grant*

Richmond, Virginia was flames and embers when General Grant arrived here. But now it's a prime mid-Atlantic market with a focus group facility that's the hottest thing since then. Call (804) 272-6100 and find out about the Richmond Focus Group Center, a division of Alan Newman Research. Then watch our smoke.
